

NORWAY SALMON FISHING Summer (June-August) 2017

Cost: £3000

This *top-end* game-fishing experience takes place on mid Norway's famous Gaula River. We have established an exclusive reservation at Winsnes Lodge with its world-renowned Flaskholen and Malum Beats; some 4km of stunning fly river. July and August are the prime months for this fishery - where typically we'd expect to see some leviathan Atlantic Salmon in the river. Conditions allowing, we'll watch fresh fish coursing through (and pausing in!) our pools on their way up the mountain.

This experience sees up to 8 fishermen occupying the stunning Winsnes Lodge & Farm and enjoying its superb facilities and wonderful hospitality. Arriving at a leisurely pace on the Sunday - we'll get familiar with the beats and tactics, cast a fly in the practice pool and share a Malt or 2 ahead of our week. You will be hosted throughout the stay by one of our experienced Team Leaders, and steering us through this fishing experience will be Matt Hayes (Lodge owner and celebrity fisherman) or one of his expert local guides.
